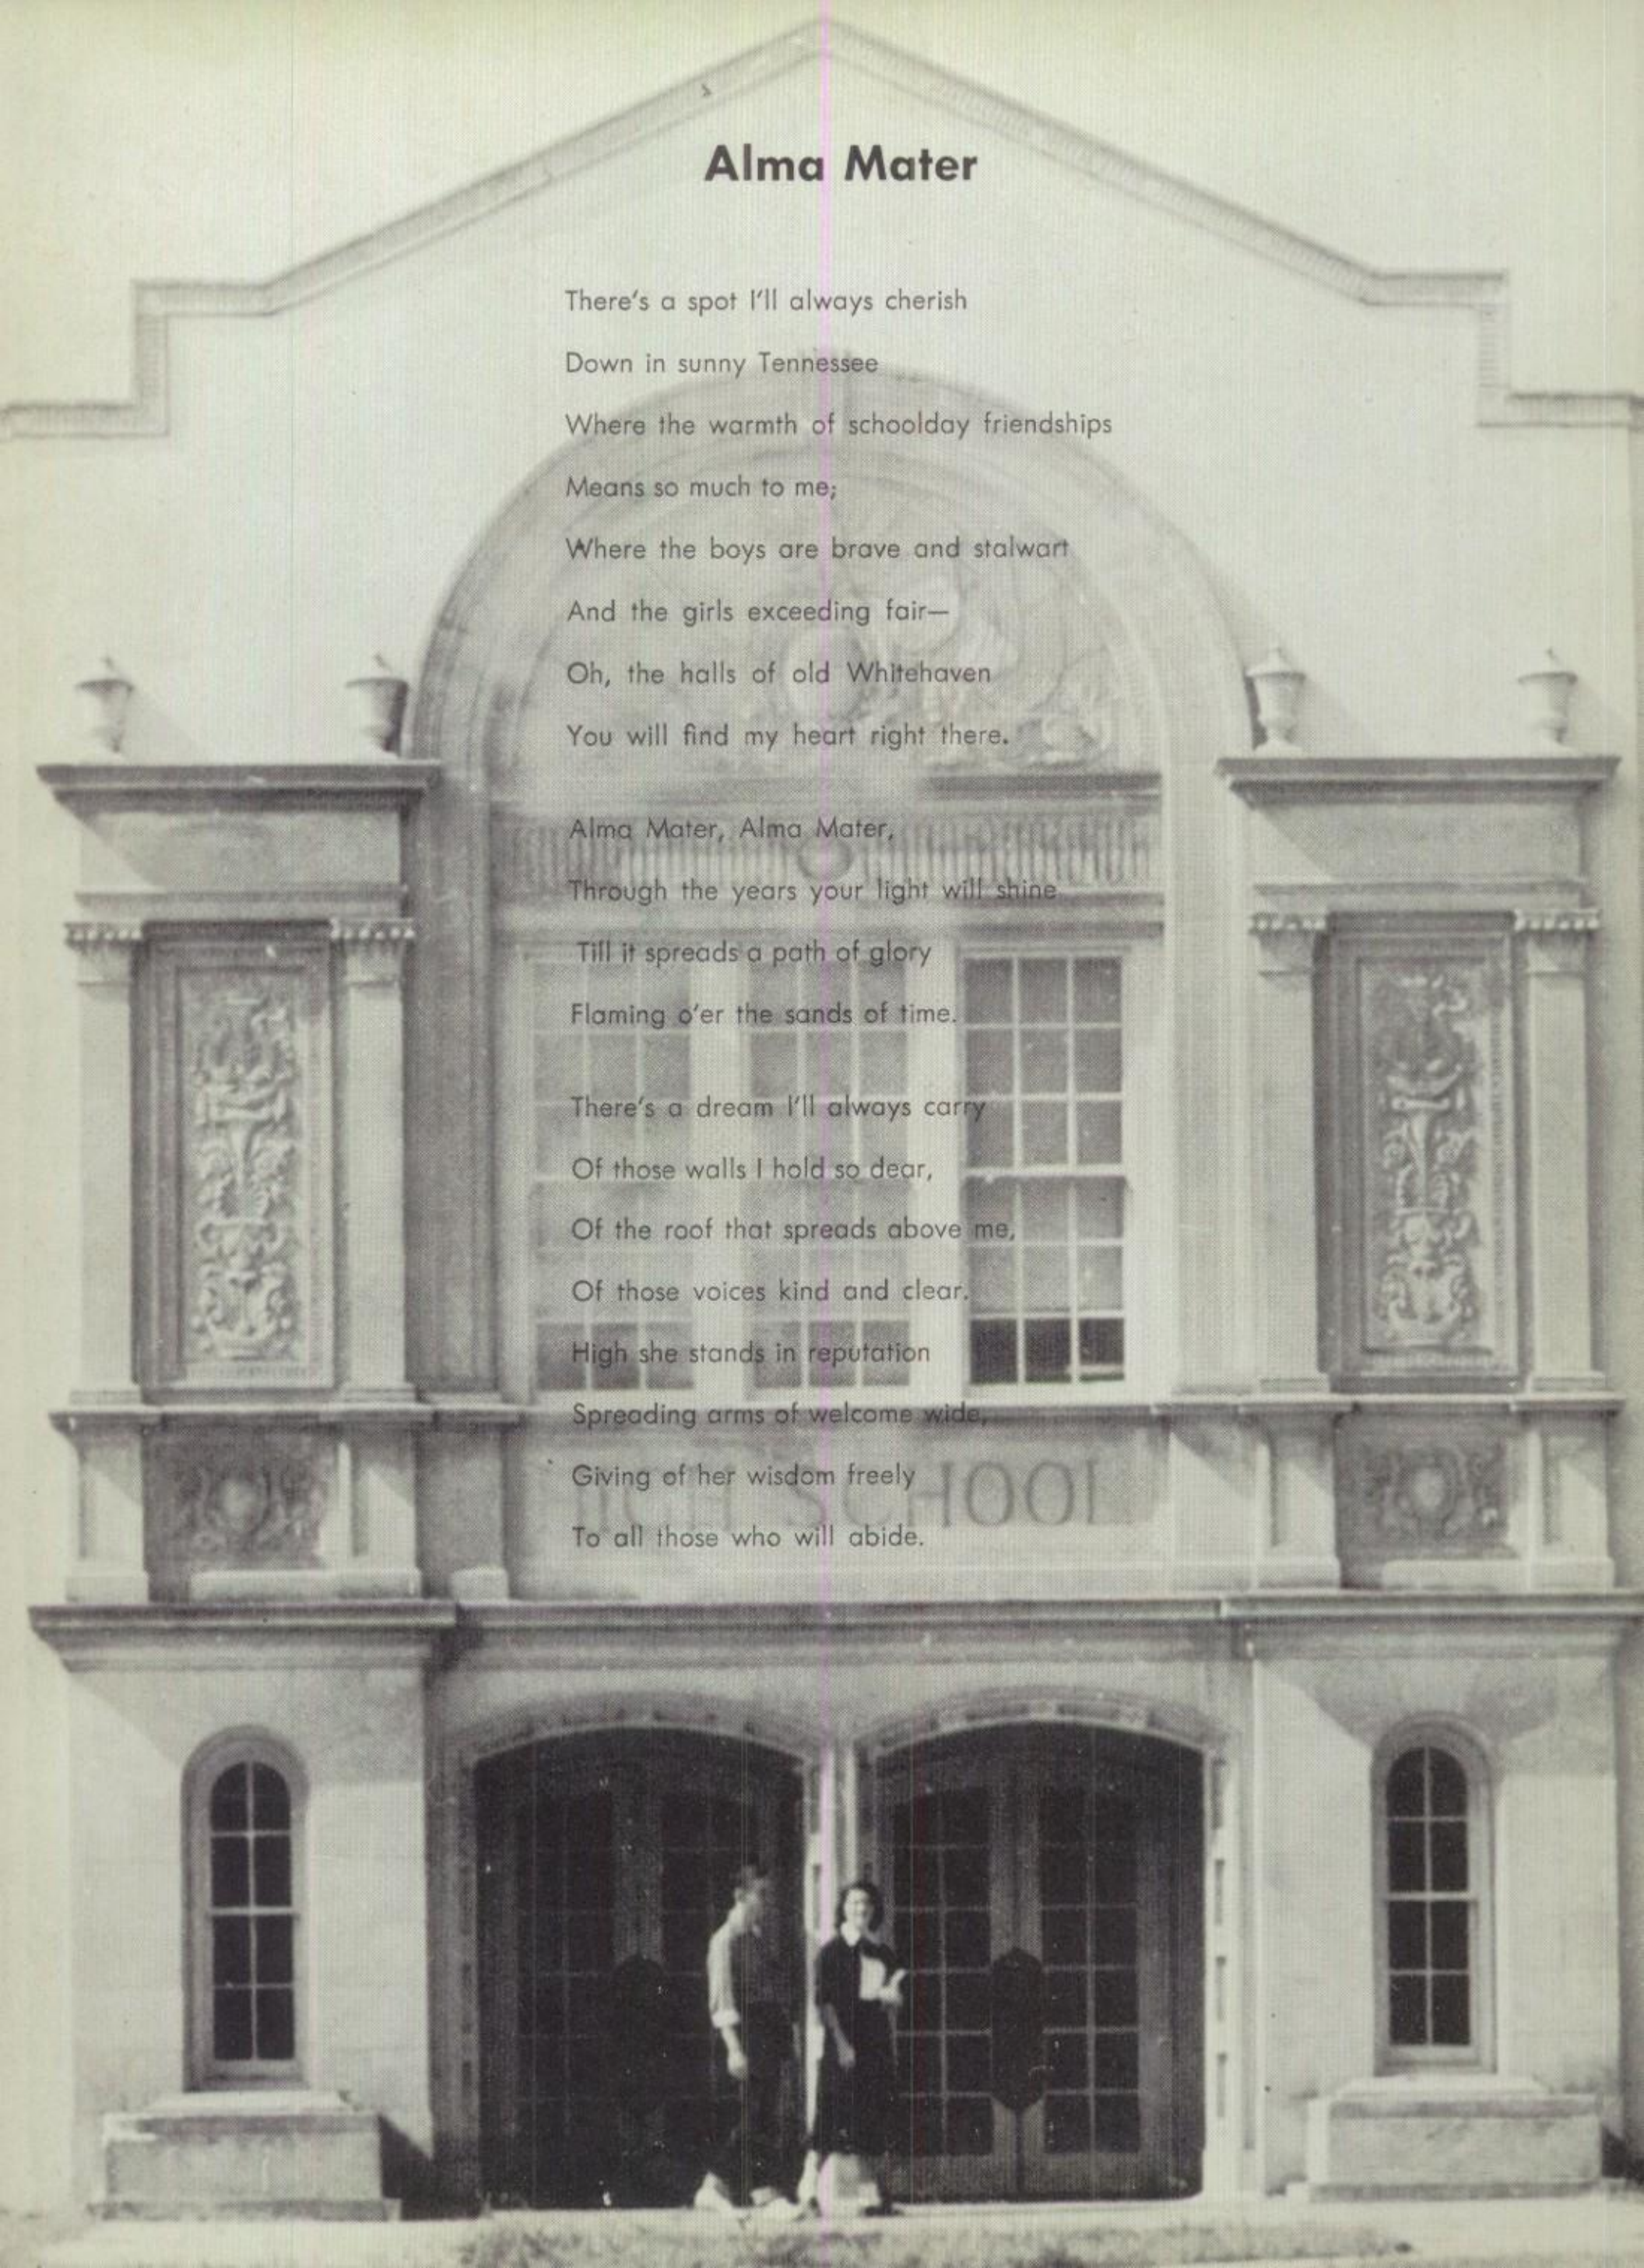
Alma Mater

There's a spot I'll always cherish
Down in sunny Tennessee
Where the warmth of schoolday friendships
Means so much to me;
Where the boys are brave and stalwart
And the girls exceeding fair—
Oh, the halls of old Whitehaven
You will find my heart right there.

Alma Mater, Alma Mater,
Through the years your light will shine
Till it spreads a path of glory
Flaming o'er the sands of time.

There's a dream I'll always carry
Of those walls I hold so dear,
Of the roof that spreads above me,
Of those voices kind and clear.
High she stands in reputation
Spreading arms of welcome wide,
Giving of her wisdom freely
To all those who will abide.



Mrs Janie Coleman

Dedication

"To one who has done so much—." So goes the traditional dedication, but in our own language it goes like this: we like you because of your sunny disposition, your unfailing patience and the cheerful way you meet our problems. Here is our yearbook; we hope you will like it because it is dedicated to you, Mrs. Janie Coleman.

The National Beta Club was organized in 1933 at Stopenburg, South Carolina. Our local chapter was organized in 1941. The Beta Club has always stood for high ideal and membership thus signifies the attainment of excellence in scholarship, character, leadership, personality and service.

The Beta Club recognizes the fact that everyone can not be a leader and that many potential leaders demonstrate their ability and desire to serve by being a good follower.

The Beta Club is an active service club as well as giving recognition to outstanding students.

Autographs

Dear Cecilia,

Well here it is another year for you, your last. I have enjoyed knowing you this year and I hope to insure our relationship for many more years. We have been through a lot together - some of it was fun and some of it not so funny - We have seen a lot and have done a lot together. At this point the end seems insight for us, I hope not for the sake of both of us.

The period that we are now enduring is a tough on - To see it through we must stick with each other through these hardships.

I love you as much as I ever did, but it is awful hard to most of the time. When this is all over maybe we both look back on it and laugh - We might laugh together and we might be together to laugh at all - you belong to me as much as I belong to you - But at the present moment it's not paning out that way.

In several short weeks I will be leaving you for a while. When I return I expect to find you waiting - I know that you are enjoying your freedom at the moment - But if you look in the future, it doesn't call for running around as you well know. There comes a time when everyone settles down - That time is almost here for you - Well I guess this is enough for now -

Crossroads

From far horizons each road winds
Across the years its separate way-
Threads lonely valleys, pulls its track
Up rugged mountains as it may.
Yet though the end each traveler seeks
Be distant from all other ends,
Here at the Crossroads all have paused
And mingled for a day as friends.

Dear Cecilia,
We've had some
great times together &
here's hoping it won't
be the last of it. You are
just tops to me. Stay like you
are now & you'll always stay
on top. Don't forget the times we
have had together, good ones and the
trying ones. I hope everything (sincerely)
works out in the future. You & yours deserve
the very best that life could possibly offer.
Our friendship has really meant alot to me. Let's
always stay close, although we may be far
apart in distance. I love you & I hope you
really find happiness.

I love you
Clarice Clayton
